Venue: Falcon Power Chelsea
Address: 555 W 25th St, Gr Fl, New York, NY 10010
Dates: October 3 – 31, 2015
Opening: Thursday, October 8, 2015 6:00 – 8:00 pm

(NEW YORK, NY—September 17, 2015) Falcon Power presents *Spatial Planes & Timeless Dimensions*, a curated exhibition documenting the relationships between time, space, decay and renewal, and consisting of paintings, installations, and sculptures by three international artists.

With works by **Roy Kinzer**, **Zahra Nazari**, and **Kirsten**

Nelson, the exhibition runs from October 3-October 31, 2015, and presents a study into the nature of spatial perspective, architectural history, and dynamic re-purposing. The result is art that resonates with both personal significance and historical meanings.

Organized by co-curators Akaash Mehta and Minna Packer, *Spatial Planes & Timeless Dimensions* offers an opportunity to view each artist's unique insight and practice.

This exhibition is supported by 555 W 25th Street.
